## **UDOT to Close Spanish Fork Main Street Nights of Aug. 23-25 for Girder Placement on I-15 Bridge**

*Closures in both directions on Main Street; Lane closure on southbound I-15*

**LEHI**, Utah (Aug. 17, 2010) — Construction teams on UDOT's Utah County I-15 Corridor Expansion (I-15 CORE) are scheduled to close both directions of Spanish Fork Main Street at Interstate 15 on Monday, Aug. 23 and Tuesday, Aug. 24 from 9 p.m. to 5:30 a.m. while crews place girders (beams) on the bridge over Main Street. In addition, southbound I-15 will be restricted to one lane near Main Street during the closure.

The closure will be in place for motorist and pedestrian safety as crews continue construction of the temporary bridge along I-15 over Spanish Fork Main Street. Motorists are advised to use 900 North to 300 West to 1600 North as an alternate route. Additional nighttime closures of Main Street are anticipated during the last week of August and early September.

To minimize delays, UDOT encourages motorists to TravelWise by carpooling, telecommuting, using alternate routes and shifting travel times. The project goal is to reduce 20 percent of the current number of cars in the I-15 CORE area to reduce any additional delays due to construction.
